

THE ALTERNATIVE INVESTMENT COMPANY

Aquila Capital develops alternative investment solutions for institutional investors worldwide. Founded in 2001 and owner-managed, the investment company considers itself a fiduciary for its clients and applies a holistic approach to managing customised real assets and financial assets. Aquila Group's client base consists predominantly of institutional investors in Europe and Asia.

Over 200 professionals located in ten offices globally implement efficient investment strategies via fund structures and individual

Alceda Luxembourg is seeking a

Team Head | Fund Management (m/f) **i.e. Agriculture, Timber, Real Estate, Hydro etc.**

Key Responsibilities

- Prepare and monitor investment limitations, distribution calculations, NAV calculations, plausibility of valuation results, etc.
- Liaise with different in-house teams and external service providers in relation the acquisition, management and disposal of real assets, such as investment advisors, investment managers, asset managers and the sales team
- Support and liaise the Sales Team explaining fund structures and discussing economics
- Report all portfolio management and in parts client activities to the head of funds management
- Supervise and coach a team of 2 fund managers
- Support risk management activities: risk identification, risk strategy, analyses, etc.
- Optimise contract management and coordinate new contracts close together with our legal department
- Prepare and monitor internal reports and recommendations to committees and external reportings e.g. quarterly reports
- Support with the implementation of asset management strategies, e.g. by providing capital-, revenue- and cashflow-planning and other KPIs
- Report to the Head Fund Management Luxembourg

Key Requirements

- A real team player capable to federate real asset professionals around international real asset projects
- You have a degree in Finance, Economics or Accounting
- You have at least 5+ years professional experience in real assets portfolio management / fund management, real asset transaction and/or real asset management
- Ideally a similar management position within a real asset AIFM in Luxembourg would be a very competitive advantage
- Professional knowledge of the AIFMD and fund vehicles in Luxembourg
- You have the experience to manage a multidisciplinary and multi-lingual team
- You have strong Excel skills.
- You are fluent in English and German; knowledge of other European languages will be a plus
- You work autonomously, accurately and you are very well organised

Your perspective

As a forward-looking company, the Aquila Group combines focus, foresight, ambition and entrepreneurial responsibility with team spirit and a very high degree of collegiality. This creates synergies that, combined with the talents of our employees, are crucial for the long-term success of our company.
